

OUTER  
SPACE

# You're an Astronaut

Draw in your face.  
Add a background

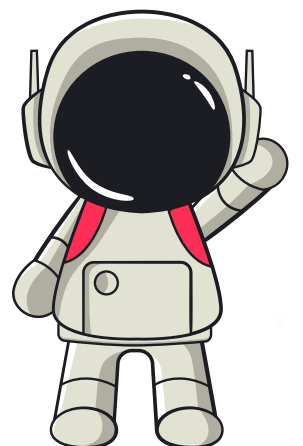

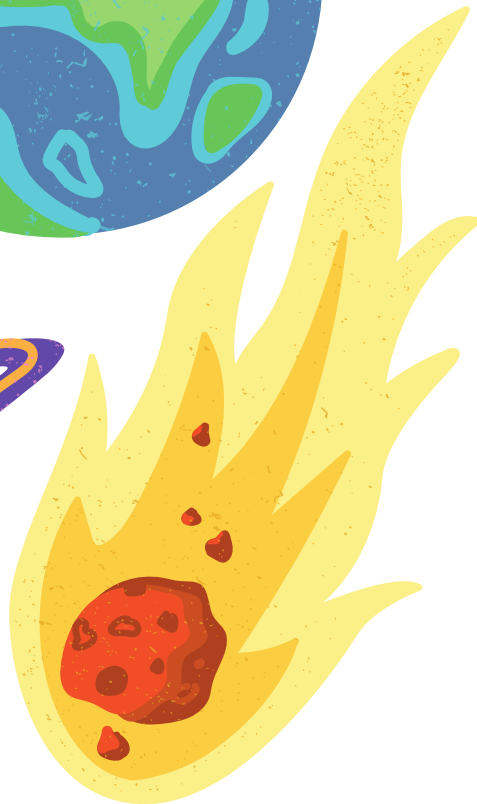

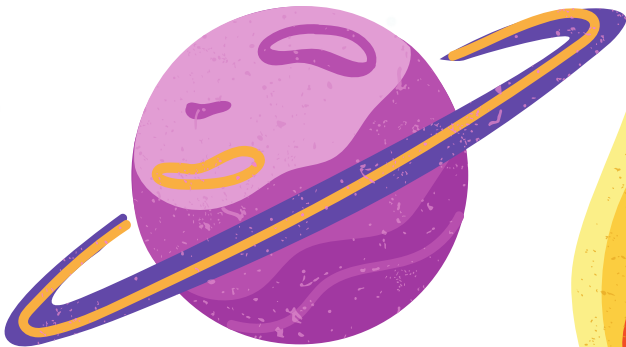

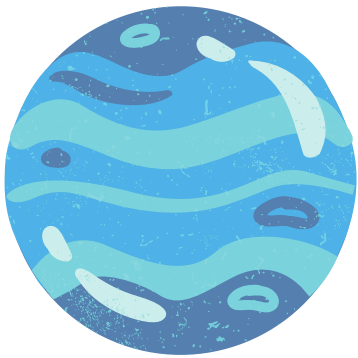

# Stars

Practice drawing these stars

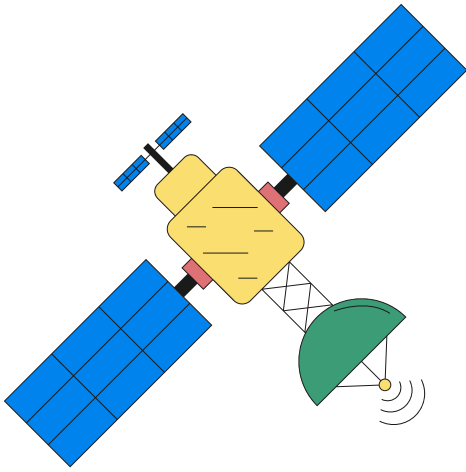

# Space Collage

Cut out these shapes.  
Make a picture with them.  
Add in your own stars

# Travel to the Space Station

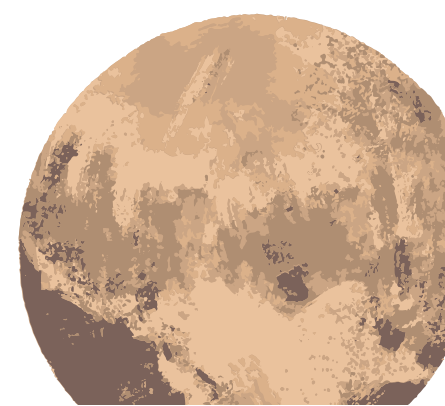

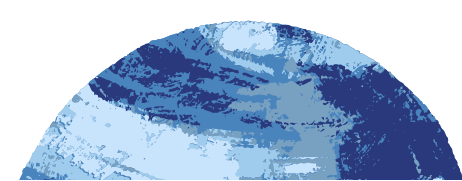

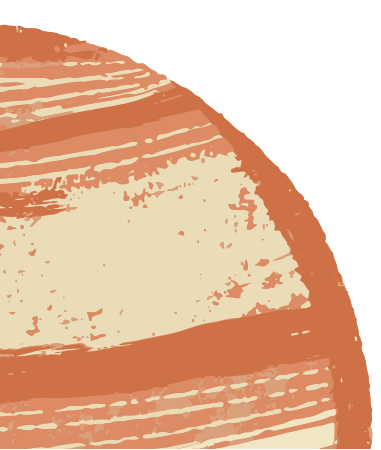

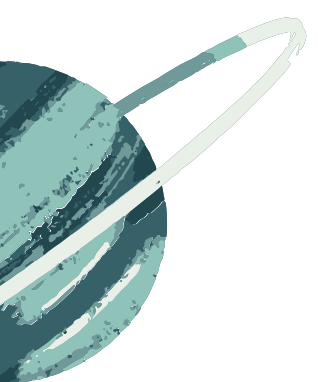

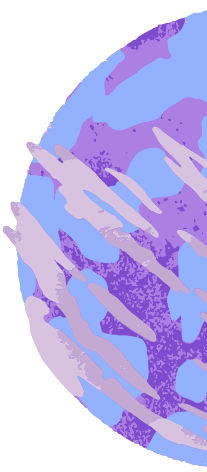

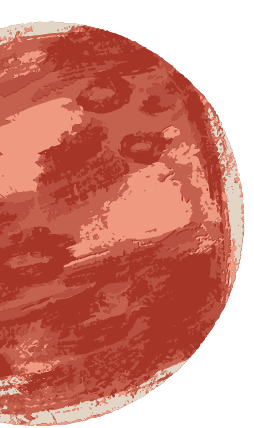

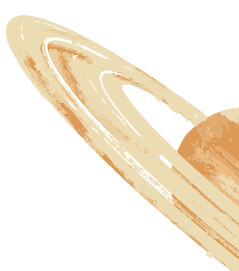

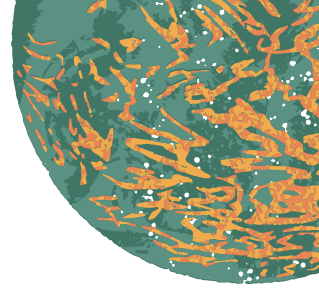

Design your own rocket  
to get to the space station

# New Planet

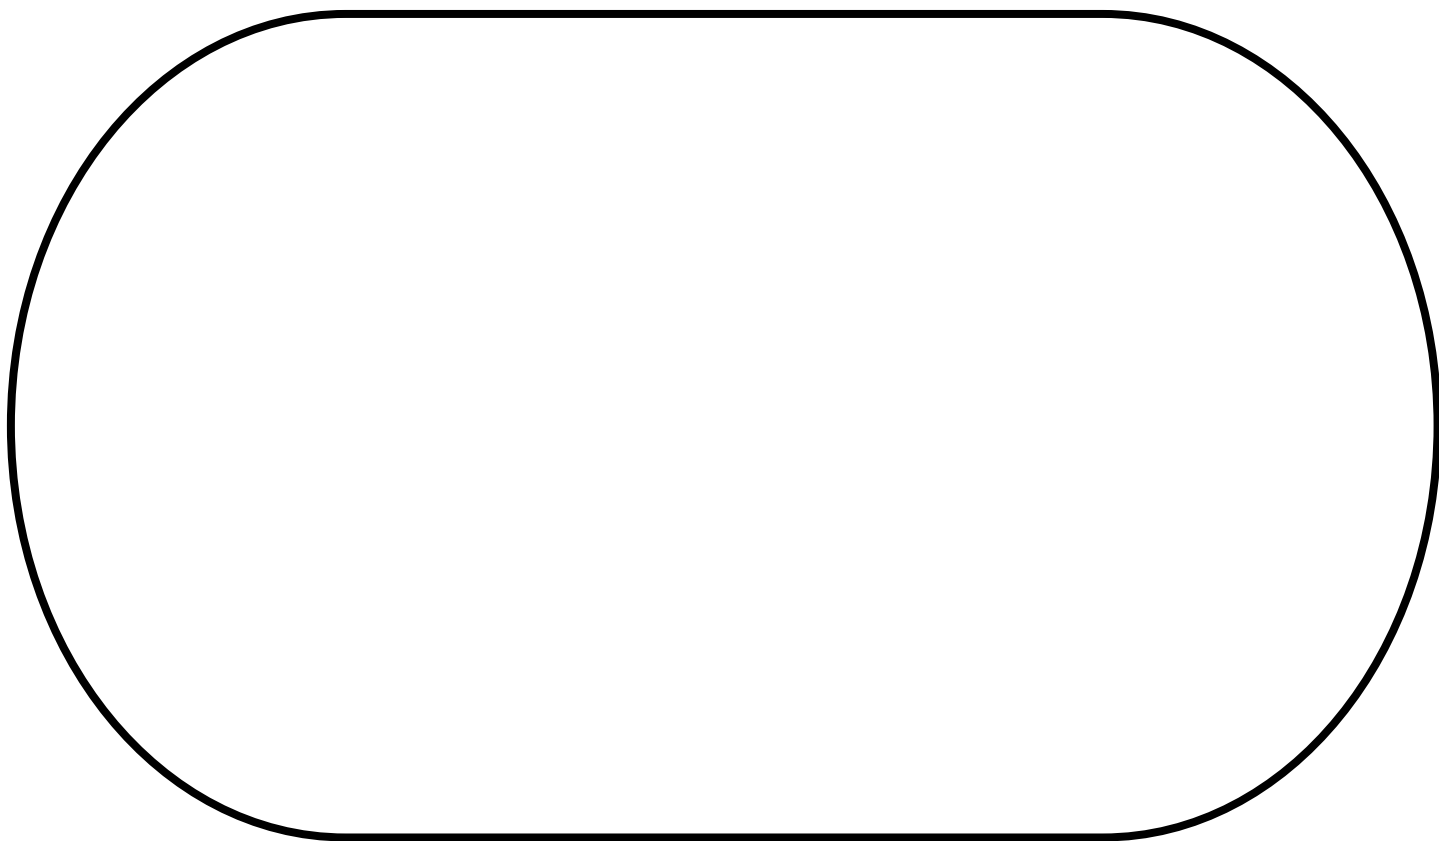

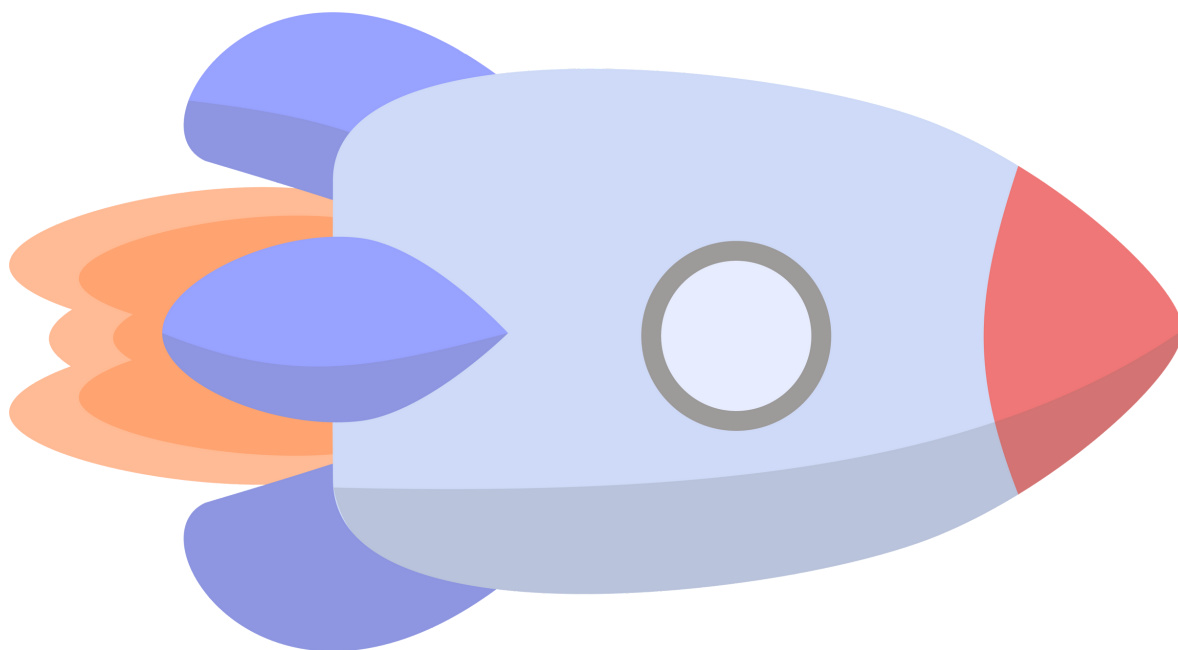

You've just discovered a new planet.  
Draw it. Does it have rings or craters?

# Shading

Copy this rocket.

Add the shading to make it look 3D

# Moon Creature

Draw your own moon creature
